## AYC 50th Birthday Regatta

Buccaneers perennial road warriors from Colorado and California joined long distance travelers from Washington State and DC and local Arizona Buccs for another great AYC Birthday and Leukemia Cup Regatta. Gary Jobson even joined in the fun to help support the LCR cause!

The BNAC 2008 and 2009 Champions David Spira and Dennis Martinelli kept their usual pace with great starts, tactics and boat speed. A close battle for second was won by Jeff Neurauter and Happy Olmstead in from Washington, DC sailing in Emory Heisler's "Erin Morgan" over "rising star" Sue Swisher in new to her "Quack Quack".

The Leukemia Lymphoma Society also did very well with the Buccaneer fleet raising over \$24,000 of the \$60,000+ raised in the event. WAY TO GO BUCCANEERS!

**Fund Raising Champions: Emory Heisler and Chris Robertson with LLS Director Cameron Childs**

**Buccs to Windward on Lake Pleasant, AZ**

**Lake Pleasant Marina Sunrise**
